Memories on a Postcard Competition

Galway County Council, in conjunction with Galway County Public Participation Network (which represents over 900 Community Groups in the County) are organising a Competition open to everyone who has been involved in the Covid-19 Community Call in the County, whether that be as an individual who has been in isolation and cocooning, or an individual providing care and assistance within their community.

We all have a story to tell about our experiences during this unique time in our history, whether that be how it made you feel, what you did to cope, what you learned about yourself or what you missed or look forward to. You can submit your entry on the postcard overleaf in whatever way feels right for you, whether that be a letter, poem, write your own short story, or even your words put to the melody of your favourite song!

So, get those creative juices flowing, and return your completed Postcard by post to the address below by the closing date. We will deal with all entries in the following ways:

- A judging panel will select their Top Ten and these entries will receive a prize and memento of the competition.
- As this is an important time in our history, entries will form part of an exhibition and ultimately part of our archives regarding this moment in time, with your permission.

Please confirm your name, address and contact details below so that we may contact you regarding your entry.
