# SCHEDULE

## Writing Funding Applications

with Ailish Irvine, CEO Irvine Training

About: The best places to apply for funding; Learn about the criteria and requirements from funders; Practice the do's and don't s for applications; Think like a funder when assessing applications; Evaluate and learn from funding rejections; Get your group organised to make applying for funding easier.

Delivery: Online (Zoom)

🕒 7pm, Tuesday, 30th June 2020

## How to Build a Website for Community\_groups on a Budget

with Ailish Irvine

About: Helping non-profits to create a low cost, drag and drop website to help with promotions and events, and the facility to accept donations, create events and take bookings.

Delivery: Online (Zoom)

🕒 7pm, Tuesday, 7th July 2020

## Planning for the Future/Developing a Business Plan

with Marian Barnard

About: This one-hour interactive webinar shows you how to create a business plan that works for you. The main objective is to understand the process of writing a business plan and discuss why a business plan is prepared, what should be included and provide a template for creating financial projections.

Delivery: Online (Zoom)

🕒 6pm, Tuesday 21st July 2020

## GDPR for Community Organisations

with Liam Lynch, L2 Cyber Security Solutions.

About: A live webinar on practical skills to follow through on obligations of accountability under GDPR. Attendees will be shown the tools to create a Data Protection Policy for their organization and can ask questions during the webinar.

Delivery: Online (Google meet up)

🕒 6pm, Tuesday 28th July 2020

## Growing your Community Organisation's online presence

with Gert Ackerman, Communications Director of the Wheel

About: Covering the fundamentals of how to engage with social media and get your organisation's message out to there, this workshop also examines the creation of a social media policy that works for your group. We will introduce the basics of digital marketing, looking at how to implement and analyse digital advocacy and fundraising campaigns. This session is for anyone in a community and voluntary organisation involved in communications and for those involved in fundraising activities.

Delivery: Online (Zoom)

🕒 6pm, Tuesday 4th August 2020

## Using the Governance Code: A guide for how not-for-profit & community organisations are run, directed and controlled with Mairead

About: Good governance is at the heart of well-functioning organisations and key to delivering on your organisation's mission. This interactive session will explore the idea of Governance and engage with the Governance Code. By the end of the session, participants will be able to define governance as it applies to their organisation; outline the key responsibilities of governing board members; identify the principles underlying the Governance Code; and develop an action plan around engaging with the Governance Code.

Delivery: Online (Zoom)

🕒 2 pm, Tuesday 1 September (3 hour session)

All workshops are free to PPN Members, places are limited so please register soon by emailing Charlotte: [cmay@hotmail.com](mailto:cmay@hotmail.com)
