NOTICES OF MOTIONS

18. Cllr. Andrew Reddington

- I will propose:

"I am calling on Galway County Council to include in the County Development plan the provision for the inclusion of log houses and wooden structure houses where people can apply for such structures where they blend into sites and meet the building and planning regulations".

19. Cllr. Tom Welby

- I will propose:

"That Galway County Council inform me the amount of planning's, and their reference numbers, where the Housing Need was complied / satisfied solely under policy RHO 1 (d) - the twenty year rule".

20. Cllr. Geraldine Donohue

- I will propose:

"That Galway County Council write to Waste Disposal Companies requesting them to include the lift charge in the overall cost of Skip Bags that are currently available at various hardware stores. Currently Skip Bags cost approx €9 for the bag only and one can fill at one's leisure. When the Skip Bag is filled, individuals have to book and pay for the collection of the skip bags, however Skip Bags are being filled and left for a considerable amount of time at locations - as they is no urgency or incentive to remove same. There needs to be a time frame for the removal of Skip Bags similar to what is in place for Metal Skips which is approx 5 days. The lift of a filled Skip Bag is approximately €95, so perhaps a reduced rate of approx €70 would include the lift"

21. Cllr. Geraldine Donohue

- I will propose:

"That the Agenda Paper for Council Meetings shall contain three written questions from any one Member. The latest time for submission of questions for inclusion on the Agenda for meetings of the Council or its Committees shall be 10 a.m. on the tenth clear working day before the date of the meeting."

Process:

Members would submit to the Meetings Administrator three written questions to the Chief Executive relating to the business of the Council or the executive functions of the Chief Executive for written reply.

Questions to be noted by the Council on motion without debate.

22. Cllr. M. Kinane & Cllr. Herterich Quinn

- We will propose:

"respectively request " that in order to clear the backlog of women awaiting a mammogram appointment or follow up appointment, (due to restrictions imposed since the arrival of the Coronavirus) Minister Donnelly seeks to make breast screening in all private hospitals in Galway and around the country free to these women and utilise all available resources to ensure the best outcomes for all women."

23. Cllr. Joe Sheridan

- I will propose:

"that Galway County Council notify our rate payers in writing, that no vacancy tax will be proportioned to their vacant properties during the present council term as was voted in 24th November 2019 by the Council Coalition".

24. Votes of Sympathy / Congratulations
