WHAT IS THE PPN?

The **Galway County Public Participation Network (PPN)** is a new platform on which the local community can engage with the **Galway County Council**. It forms the link between the Voluntary & Community, Social Inclusion and Environmental sectors and the local governing body.

Established in 2014 through the *Local Government Reform Act 2014*, the PPN ensures that the public can have their say on local government decisions. The Galway County PPN currently has 998 member groups. A Directory of our members is available [here](#). The PPN also works to

- a)** inform communities of events and funding available;
- b)** educate groups and organisations via trainings and workshops to support their community work and;
- c)** represent their interests and ensure the 'community voice' is heard in local decision making processes.

HOW DOES PPN WORK?

The PPN has a 'flat structure' not a hierarchical one meaning there is no one leader making final decisions but instead each group represented has an **equal voice and opportunity** to make decisions and to be heard and they do this during the Plenary meetings. Representatives are elected by PPN members to sit on committees and are supported by linkage or working groups to carry out their role. The PPN has a team of workers to support its work which is directed by an annual Work Plan. A Secretariat, which is a group of elected PPN members, oversees the running of the PPN. The Secretariat members can be seen and contacted [here](#). The PPN Plenary (meaning all member groups) is the main decision making body of the PPN. A plenary meeting is convened annually to discuss issues and vote on policies and procedures. Each member group has one vote at a plenary.

HOW DO I JOIN PPN? (REGISTER HERE)

Membership of the PPN is open to **ALL community & voluntary groups within County Galway** which meet the following criteria:

- Have a written constitution, some form of operating rules & procedures and hold regular meetings
- Be in existence for at least 6 months and open to new members
- Have a formal structure e.g. Chairperson, Secretary or equivalent
- Be non-party political, non-sectarian and non-discriminatory.

Examples of the types of Groups: · Residents Associations; Tidy towns; Family Resource Centres; Sports clubs/groups; Youth Groups; Environmental Groups; Art groups; Single based issue groups.
