# **The Cathaoirleach's Community Awards 2020**

*Celebrating voluntary activity in communities across County Galway*

#### **Foreword by Cllr. James Charity, Cathaoirleach of the County of Galway**

The Cathaoirleach Awards are an annual initiative to acknowledge the commitment of individuals and groups who participate in unpaid community and voluntary activities and the significant impact their actions have on quality of life in their communities.

The Awards for 2020 are particularly important as we celebrate the many selfless volunteers who have supported our communities, our vulnerable, and those who have been impacted in so many ways since the onset of the COVID-19 pandemic, and to that end, we have amended the Award Categories to reflect these particular challenges of the year gone by.

Although we won't be able to gather in person to celebrate the Award Winners, it is more important than ever that we recognise those who went above and beyond for their communities in 2020. If your Group would like to put yourselves forward, or you know a Group or Individual Volunteer who has made a difference during 2020, please submit a Nomination Form under one of the Award Categories overleaf.

**Cllr. James Charity**  
Cathaoirleach of the County of Galway
