CARE FOR BLUE SPACES WORKSHOP

Thursday 29th September 2022 | 9:30am – 1:30pm
Connemara National Park, Letterfrack, Co. Galway

This workshop includes the importance of natural habitats in protecting water quality, things to consider when working near waterways, the impacts of herbicides and pesticides on water quality and potential projects to help your water body. A stream side demonstration is included to identify key habitat features, kick sampling and aquatic species identification. This workshop is facilitated by Conor Ruane from LAWPRO.

IMPACTS OF RODENTICIDES ON BIODIVERSITY ONLINE WORKSHOP

Tuesday 27th September 2022 | 9:30am – 11:30am

Our aim is to increase awareness of the risks of using rodenticides and to promote best practice rodent control. This course is relevant to anyone (staff, contractors, farmers etc.) whether directly or indirectly, who are responsible for rodent control in public and private land. The course will include breakout sessions and opportunities for discussion and questions. This workshop is facilitated by John Lusby from Birdwatch Ireland.

CREATE A POLLINATOR PLAN FOR YOUR OPEN SPACE WORKSHOP

Wednesday 28th September 2022 | 10:00am – 12:00pm
Ballinasloe (and surrounding areas), Co. Galway

This workshop includes an outdoor session on pollinators, creating pollinator friendly habitats and an assessment of an open space associated with the participants. The workshop is aimed at residents associations, environment groups, tidy towns groups or other groups who currently manage a piece of open space and who wish to create a pollinator plan for the area. The workshop is also open to interested individuals, subject to available places. This workshop is facilitated by Janet Laffey from Green Sod Ireland and Kay Synott from Living Gardens.
